## DHRBC POLICIES

### RAMS FIRST

Without our RAMS we are just another group of amazing, awesome, fun, good looking people with nothing to cheer for. We have all come together because of one reason. The LOS ANGELES RAMS are that reason. DHRBC is bigger than any one of person. Its about showing the RAMS and the world that no matter what day, time, or place the RAMS have the best fan base

### WIN OR LOSE A DIEHARD NEVER BOOS

Everyone has an opinion and nobody has the right to deny you that. Being a DIEHARD fan usually increases the passion in such opinions. That s what makes being a fan so fun. Most of us DIEHARDS follow every move our RAMS make and can form those opinions with logic and well thought out analytics. The RAMS have had the highest of highs and some very low lows. That being said we want our RAMS to succeed every tic toc of that clock. Nothing could be more counter productive and mentally draining than being HECKLED and BOOED by

**your own support system. Here at DHRBC we encourage not only our members but other fans around us to try and stay positive no matter**

**the score. Fan participation is a big part of winning and losing. We want them to play until the last whistle. We challenge every fan DH member or not to fan until the last whistle.**

## **LOYALTY ABOVE ADVERSITY**

**Social media is a big part of fandom is this day and age. With football back in LA also comes an influx of new fans. You see all too much of people jumping ship for reasons out of any players hands. You hear people bash OUR RAMS during slumps but act like the #1 fan during a win streak. The word DIEHARD is an all or nothing "OPTION". You can choose to be a true DIEHARD or you can choose to not be one and that 's fine. Being a DIEHARD is easy. LOVE YOUR RAMS.**

## **FAN FRIENDLY**

**We at DHRBC know that RAMS fans are the most awesome fans in existence. Fortunately being as smart as we are, we realize that not everyone is on the same page. Being at RAMS games we are surrounded by opposing fans. Despite all our efforts some may have slipped through the cracks of our inner circles as well. Confused as they may be I can only hope that being in your circle these fans are good people. DHRBC welcomes all DIEHARD fans from any team to partake in the fun and enjoy themselves at our events, fundraisers, and tailgates. DHRBC will hold guest to the same standards as we hold our members to. If a problem arises at the fault of a guest they will be asked to leave and will not be welcome at any future DHRBC events.**

## **COMMON COURTESY**

**DHRBC and all affiliates are 100% family friendly. We ask of you to control your temper, language, and mannerisms. We understand this is a football booster club and we are not the ethics police. F- bombs are bound to drop, we just ask that we all use our best judgment when surrounded by our little RAMS.**

## **ZERO TOLERANCE POLICY**

**PHYSICAL VIOLENCE IS PROHIBITED. RAMS football can bring out the best and worst in all of us. DHRBC asks that you defuse any conflict quietly and quickly. Physical conflict will result in immediate termination of membership. DHRBC has a standing agreement with all venues to ban indefinitely any person or persons who have been dismissed for physical conflict. DON'T START NOTHING THERE WONT BE NOTHING.**

**THANK YOU FOR READING THESE POLICIES. THE POLICIES OUTLINED HERE ARE IN PLACE TO SET A STANDARD OF WHAT WE ARE TRYING TO PROMOTE. LOYALTY, DEDICATION, RESPECT, AND ACCOUNTABILITY. DHRBC RESPECTS YOUR RIGHT TO CHOOSE. IF THESE POLICIES ARE UNREASONABLE FOR YOU TO KEEP YOUR INTEREST THAN WE RESPECT YOUR OPINION. HOWEVER IF THESE POLICIES ARE SOMETHING YOU CAN STAND BY THEN WELCOME HOME...BY SIGNING AND SUBMITTING YOUR MEMBERSHIP APPLICATION YOU AGREE TO THESE POLICIES.**

**DEAR DIEHARD,**

**Thank you for becoming part of our FAMILY. We will do everything it takes to show the world what it takes to be a TRUE DIEHARD RAMS FAN. With your help we can spread an unwavering commitment to our RAMS wherever they may travel. This isn't just a booster club this is a diverse unit focused on sustaining a voice of support loud enough for our RAMS to hear it and use it to push themselves to that next level. Lets make some noise and have tons of fun doing it. Always remember. 'RAMS FIRST'**
